

The screenshot shows a navigation menu with the following items: 201308-TRN-101-001 (with a home icon), Home Page, Information, Content, Discussions, Groups, Tools, and Help. Below these is a duplicate 'Home Page' item with a chevron icon. A context menu is open over this duplicate item, showing options: Rename Link, Hide Link, and Delete.

- a. Locate duplicate menu items
- b. Scroll over menu item to be deleted
- c. Select item chevron
- d. Select Delete
