

New Features

Feature	Description
Qwickly	<div data-bbox="867 369 1130 562" data-label="Image"> </div> <p data-bbox="440 598 1552 814">Qwickly+ is a new platform for Blackboard Learn (WVU eCampus) that is designed to simplify instructors' workflow by providing easier access to frequently repeated tasks. Rather than clicking through each course to complete the same task, instructors can perform that task from the home screen for all selected courses simultaneously. It is not intended as a course building tool, but rather a tool to conveniently address immediate communication or content needs.</p> <p data-bbox="440 848 821 877">Using Qwickly+, instructors can:</p> <ul data-bbox="492 911 1503 1121" style="list-style-type: none"> • Add content directly from Google Drive, Dropbox and Box. • Add content, including documents and web links, to multiple classes. • Email documents from Google Drive, Dropbox and Box. • Send email to only certain roles within a course or to multiple courses. • Choose to post announcements in the future or send announcements to multiple courses.
Peermark	<div data-bbox="748 1129 1256 1283" data-label="Image"> </div> <p data-bbox="440 1314 1533 1381">Turnitin now features the ability to use PeerMark in WVU eCampus. Turnitin facilitates peer review so that students can evaluate each other's work and learn from their classmates.</p> <ul data-bbox="492 1415 1516 1549" style="list-style-type: none"> • Instructors can use the PeerMark Manager to set up PeerMark Assignment within a Turnitin assignment. • Students will be able to use the PeerMark Review tool to provide feedback on other students' submissions.
WebAssign	<div data-bbox="826 1631 1179 1698" data-label="Image"> </div> <p data-bbox="440 1728 1544 1795">WebAssign is a customizable system that lets instructors create and deploy assignments, and instantly assess the performance of either individual students or an entire class.</p> <p data-bbox="440 1824 781 1854">WebAssign features include:</p>

	<ul style="list-style-type: none">• Question content and creation.• Secure testing.• Collaboration on course management tasks with colleagues and teaching assistants.• Student performance analytics.• Access WebAssign directly from WVU eCampus.• Link an eCampus course to an existing WebAssign course.• Create a linked WebAssign course from eCampus.• Select a textbook for your WebAssign course when creating it.• Sync eCampus course rosters to linked WebAssign courses.• Sync WebAssign assignment scores to eCampus.
