

Please follow the steps below to disable the pop-up blocker in Safari:

1. Click the "Safari" tab at the top left hand corner of the window to open up the browser preferences.
2. Click the "Security" tab
3. Uncheck the "Block pop-up windows" checkbox.

Pop-up windows should now be enabled. If you still need assistance, please call the ITS Help Desk at 304-293-4444 or email at ITSHelp@mail.wvu.edu.
