

Before you begin

1. You need a WVU eCampus account.
You'll log in to the app with your WVU LoginID and password.
2. Your device needs one of these operating systems to run the Blackboard Instructor app.
iOS 9.0+
Android 4.2+

Install app and log in

The Blackboard Instructor app is available on iOS and Android tablets and phones.

Use these steps to download and install the app.

1. From your tablet or phone, access the appropriate app store.

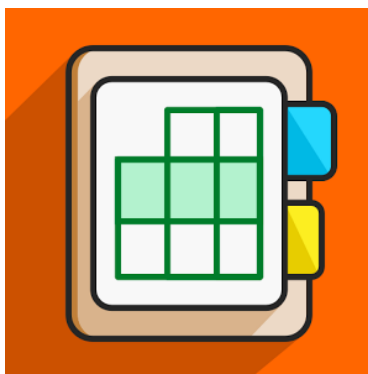

[Download on your Apple® device](#)

[Download on your Android™ device](#)

2. If necessary, search for Blackboard Instructor.
3. Install the Blackboard app on your mobile device.

4. Open the Blackboard app and search for **West Virginia University**
5. Log in with your WVU LoginID and password.

Explore the app

With Blackboard Instructor, you can:

- Access courses
- Quickly preview content and assessments
- Send course announcements
- Create discussion board threads and reply to comments

You can see a list of all app features in the [feature guide](#).
